The freight forwarder's liability as intermediary pursuant to § 3 C is limited to SDR 50,000 per assignment and in total for one and the same occurrence to SDR 500,000 (§ 24). In connection with warehousing, the total liability for damage arising from one and the same occurrence is limited to SDR 500,000 (§ 25).

Special attention is drawn to the network clause (§ 2), that claims against the freight forwarder are time-barred after one year (§ 28), and that the lien and right of retention (§ 14) apply to both current and previous claims.
